## REGULATIONS

For the safety of everyone present at the Event, rules have been established. These do not differ from other events in the Netherlands. Please read them carefully before attending the Event, as being present at the Event automatically means you agree to these house rules.

### Access Control

For the safety of visitors and participants, access control will be in place at the Event. During these checks, body searches and bag inspections may be conducted. The following items are not allowed and must either be surrendered at the checkpoint or taken back home.

The following items are not permitted at the Event:

- Food and beverages at the stands
- Glass and cans
- (Plastic) bottles
- Fireworks
- Weapons
- Dangerous/sharp objects
- Perfume, deodorant, and other spray cans
- Audio and/or video recording equipment, except mobile phones (unless authorized by the organization)

The decision of security personnel is final. By entering the Event, you automatically agree to cooperate with clothing and bag inspections. If prohibited items are found, you will be handed over to the police.

### Alcohol

Under Dutch law, the sale of alcoholic beverages to persons under 18 years of age is not permitted, nor is the consumption of alcohol by these individuals. Like other events, the Event adheres to this law, and compliance will be monitored. You may be asked to show identification. If you are 18 or older but look young, you may be asked to show identification multiple times. In that case, you can obtain a wristband at the information desk to indicate that you are 18 or older. If alcohol consumption by minors is detected, the organization will take appropriate action.

### Drugs

Possession or trade of drugs is not permitted at the Event. Bags and clothing may be inspected by police or security personnel.

### Unwanted Behavior and Criminal Offenses

Visitors are required to follow instructions and/or directions from security personnel. Instructions or orders given by or on behalf of the organization's staff must be followed immediately and without exception. If security personnel or the organization determines that your behavior is undesirable, you may be denied entry to the Event. In the case of criminal offenses, you will always be handed over to the police, and charges will be filed.

### Sales or Promotion

The sale or promotion of goods and/or services at or around the Event is not permitted without prior written consent from the organization.
